CAREER FAIR AT SRIHM

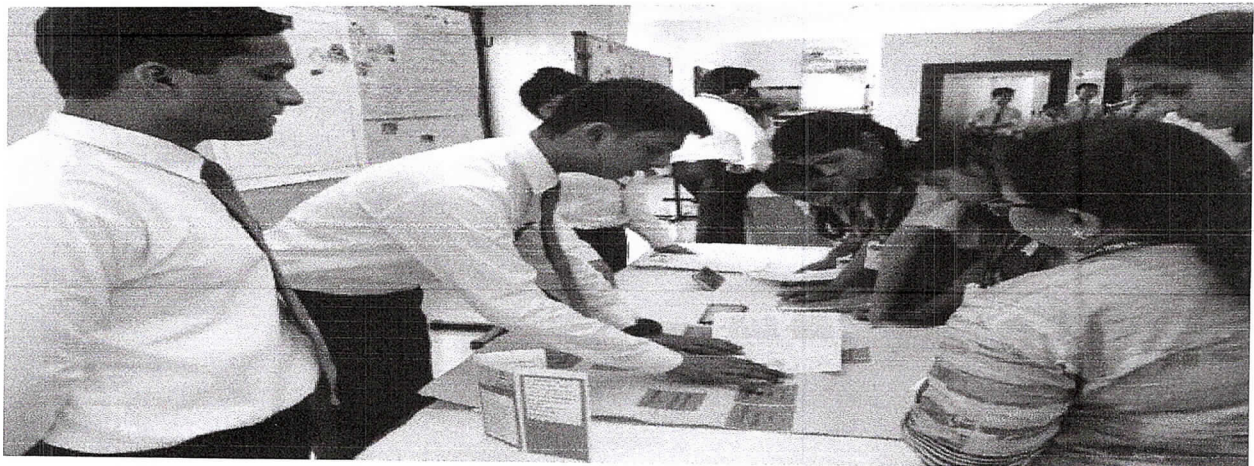

16th March 2019

Every child wants to be something when they grow up, they come shrieking to their family with zestful bounce. I want to be an astronaut when I grow up! No, a police officer! No, a CHEF!

Some carry that goal through to adolescence and strive for it during adulthood. Others change their minds, but no matter the case, every child should have the opportunity to follow their passion and dreams...

The students of the DLLE (Department of Lifelong Learning and Extension) Unit from Sheila Raheja Institute of Hotel Management conducted a Career Fair on the 16th of March 2019. Invited were the 10th standard students from Purushottam High School, Bandra. Showcased were the vast array of fields in the various career avenues available in the world today.

The exhibition highlighted various careers from the industries of Hospitality, Aviation, Engineering, Interior Designing, Veterinary Science, Law and much more. The pupils of Purushottam High left SRIHM with invigorated inspiration and an ardent will to chase their dreams.
