DLLE CAREER FAIR

6th March 2021.

The Department of Lifelong Learning and Extension of Sheila Raheja Institute of Hotel Management hosted a Virtual Career Fair, as a part of their Career Project.

The event was held on 6th March 2021.

The Career Fair is a platform created by the students and serves to connect the students of Secondary School Education and the careers they can choose. For this Virtual Career Fair, the DLLE unit invited the Standard 10th Students of Purushottam High School, as these students are at the start of their careers and the right time to make a career choice.

The career fair was based on a "Township Theme", where the school students were able to visit the whole township and have expanded ideas for various careers. The DLLE student groups selected various career options, imparted information as to the:

Basic educational qualifications required to seek admission.

Career opportunities after completion of the study course.

The Career Fair started off with the introduction of the school and our institute. This was followed by the principal's speech. Next, the DLLE students introduced the various career options in the form of a short informative talk as well as games based on their topic.

The event concluded with a speech from our Extension Teacher, Student Managers, and a thank you speech by the Principal of Purushottam High School.

All the members of the DLLE Unit along with the technical team and the media team, worked hard by taking out time for rehearsals.

Virtual Career Fair

CULINARY WORKSHOP

24th January 2021

When educating the minds of our youth, we must not forget to educate their hearts – Dalai Lama

Our 16 student chefs and Alumni from SRIHM had a fruitful collaboration with Veruschka Foundation and Culinaris Cookery Institute organizing 10 whopping virtual cookery classes for the specially abled children of our society .

At Veruschka Foundation, cooking is not just seen as a daily routine but as an essential skill to gaining independence in life.

The 3-month collaboration witnessed over 600 registrations with an average of 40 participants in each class. The response was truly overwhelming and we had students from more than 10 different Indian states and even as far as Canada, USA in attendance.

Inspired by our student Chefs many students also tried their hand on preparing their versions of the dishes which they learned. (Dabeli by Deepanshu. Thai soup, Salad and Banana smoothie by Vasudha. Version of crepe cake by Rachit)

Through this collaboration with the Veruschka Foundation, together we were able to impact over 350 differently abled and their families nationwide.

LIFE COACHING

20th January 2021

An online seminar session was conducted by Mrs. Neha Vora on the 19th January 2021 at 3 pm on google meet for the students of DLLE. Mrs. Neha Vora is a life coach who deals, understands and talks about the healthy lifestyle one should pursue.

In the session she also talked about how teenagers deal with the problems and usually slip into depression. She guided the students by sharing her own experiences, ways to win over depression and anxiety and the importance of mental health in today's time.

She not only discussed the mental health but also spoke about how crucial it is to maintain the balance between physical and mental health. Of how important it is to have a healthy routine with healthy food habits.

Students were given an opportunity to talk and give reviews over the above mentioned topic. The webinar was an absolute success.

CULINARY MASTERCLASS

25th January 2021

A Chef by profession and humanitarian by heart is an apt description of his personality. We the students at SRIHM are extremely grateful to have had the pleasure of diving into the insights that Michelin Starred Chef Vikas Khanna had to offer.

He spoke about the feeling of pride that came when he first wore his chef's coat and also elaborated on the great responsibility that comes with his great power. Despite his busy schedule, he made time to sit down with us to talk and inspire us to be better than what we are.

Right from answering the questions put forth by the students to sharing his experience and knowledge of the culinary world, he patiently gave us his time and attention.

What we found truly interesting was his concept of discipline and how we need it to survive the hustling world that we will be sent out into. It was an absolute pleasure and honour to get such splendid advice from such a dynamic personality.

We'd also like to pay our gratitude to Mrs. Durga Raheja, Mr. Conrad D'Souza and Chef Yogesh Utekar for organising such an knowledgeable and enlightening masterclass, as students it's our absolute honour and delight to be a part of such a noteworthy masterclass.
